Curb and Gutter, Sewer Contracts Awarded Temple and Austin Firms

City commissioners Stidham, Thompson and Weems have thoroughly checked all bids for curb and gutter work in Cameron, opened on Nov. 16 and have found the bid of BHC Construction Company of Temple at \$31,706.40 to be the best bid in all respects. The Temple firm is headed by Bert Camp. In a second set of bids opened for sanitary sewers to be laid in the Country Club Estates Addition and the area south of the railroad tracks and in the area of the home of Narvie L. Caperton and Will Vaughan a bid of the Ford-Wagner Inc. contractors of Austin won the bid at \$19,666. The work is to start within 10 days and will take forty working days to complete.

A. W. McCullin In St. Ed Following Oil Rig Mishap

A. W. McCullin, former Mayor of Cameron and owner manager of Mack's Oil Company is in St. Edwards Hospital following an accident last week at an oil rig.

Mrs. McCullin reported that her husband goes to the lease near Minerva just to get away from routine at the office. He was working with a wrench on a barrel which was supposedly anchored to the rig, and about 12 feet up, when his wrench slipped and because the barrel would not hold in place when he grabbed onto it he dropped the 12 feet striking a pipe which ran laterally about two ft. above the ground. Striking the pipe with his body and a wrench with his head, McCullin was very painfully injured but was reported out of danger Tuesday night. His doctor-in-charge is C. G. Swift.

Mrs. J. E. Angell Dies At Hospital On November 27

Mrs. J. E. Angell, 78, died at St. Edwards Hospital Sunday Nov. 27 and was interred at Walker's Creek Cemetery at 2 p.m. on Monday Nov. 28, with Brother P. L. Caperton and A. L. Russell officiating. Marek-Burns was in charge.

Born Dec. 9, 1876, Mrs. Angell is survived by one son Ed Angell of Cameron and three daughters; Mrs. R. C. Marshall of Houston, Mrs. Edgar L. Ditto of Cameron and Mrs. Cecil Ward of Hot Springs. Also seven grandchildren. Pallbearers were Grady Allen, Oscar Hightower, Carl Black, W. W. Markham, J. B. Phipps and Otto Reimer.

Rogers Home Scene Of Rehearsal Party

Mrs. Bentley Hause, nee Gloria Ann Jungmann, was feted at the home of Mrs. Lelia Rogers, 304 East 6th, in a rehearsal and dinner on Saturday Nov. 19.

Assisting Mrs. Rogers was Mrs. Julius Albonetti of Galveston. 32 guests were served at a table centered with candles and silver holders with wine colored chrysanthemums. A Turkey dinner was served.

Gifts were placed at the places of the bride and groom.

Out of town, guests were: Frances Weise of Temple, Mrs. Streepy of Preddy, Texas, Mr. and Mrs. Julius Albonetti of Galveston, Mr. and Mrs. B. B. Fathree of Victoria and Mr. and Mrs. Jimmy Goodboer of Texas City. The couple was married on November 20.

Carlos Castillo Armas, president of Guatemala, visited Houston as the guest of oilman Bob Smith and inspected Texas Gulf Sulphur Co.'s mining operation at Newgulf.

Continuing Fight On Polio Relies On March of Dimes

The future of the continuing fight against polio will depend in large degree on the success of next January's March of Dimes, Jack Tumlinson, Milam County chairman, said today.

Mr. and Mrs. Tumlinson have just returned from a march of Dimes planning meeting in Dallas with Basil O'Connor, president of the National Foundation for Infantile Paralysis, which was attended by 500 volunteer leaders from Texas, Oklahoma, Kansas and South Arkansas. Mrs. Perry Holder, Hinton Pruitt and Mrs. James H. Kahler, all Milam County Foundation workers, attended also.

"The Salk polio vaccine marks a great step forward, but polio isn't licked yet," Mr. Tumlinson said.

"It won't be until polio crippling is a thing of the past. That can happen only when everybody who

is susceptible has been given the protection vaccine affords, and we have rebuilt the lives of tens of thousands for whom the vaccine came too late."

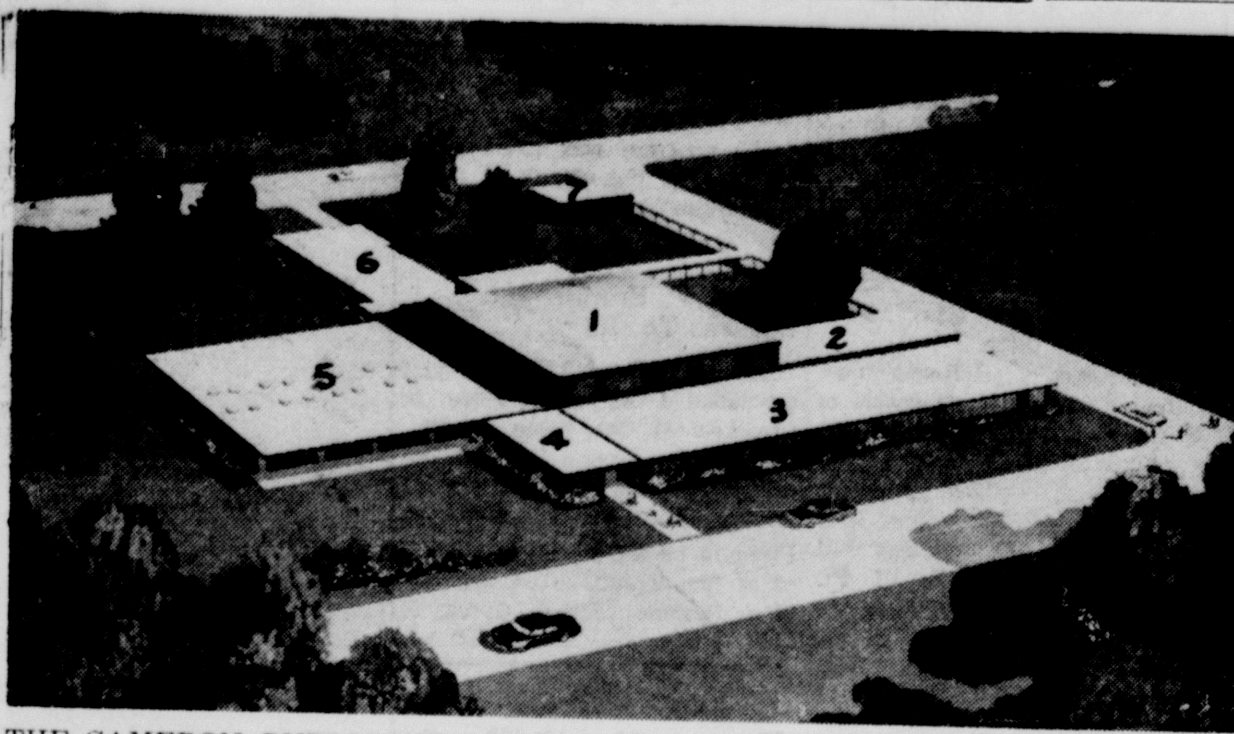

Preparations for the 1956 March of Dimes will start immediately in Milam County, Tumlinson said.

Library Stories For Tots As Usual Saturday Morn

The story hour at the Library this Saturday will find Miss Evelyn Love telling "Queen Bee" for the enjoyment of the youngsters, Carol Matula "The Gray Fox."

Hours are from 9:30 to 10:30 a.m. for the story telling hour. The Library is open in the afternoon from two to five on Saturday.

THE CAMERON PUBLIC SCHOOL SYSTEM should have an addition to its real property which will look like the above when school opens in September, 1956. This is architect Preston M. Geren's drawing of the proposed structure on the present site of the O. J. Thomas School.

Legend indicated by the numbers atop the building are as follows: 1. The present gymnasium 2. The proposed Homemaking Department 3. The proposed High School 4. Office and Clinic 5. Elementary school. 6. Cafeteria and 7. The Vocational Department.

Rev. Irvin Holds Final Class For Inquirers Tonite

The last of the Inquirer's Classes will be held at the All Saints Parish Hall Thursday night beginning at 6:30 with a covered dish supper.

Rev. Harland Irvin was reported "under the weather" Sunday but he will undoubtedly be with his Cameron flock for the grand finale to a grand series of thought-provoking classes which have led his class step by step into a more firm reality of the dividends in Christian living derived from an inquiring and thoughtful mind.

The Rev. John Holt, Professor of Old Testament at the Episcopal Seminary of the Southwest, at Austin filled the pulpit at All Saints Sunday and served Holy Communion. The sermon dealt with Advent and the burden of the sermon dealt with "Keeping the Return of Christ in context."

H. F. Lange Of Sharp Celebrates Birthday

Mr. and Mrs. H. F. Lange celebrated Mr. Lange's 66th birthday with a dinner at their home in Sharp on Sunday. Thirty guests were present at the all-day celebration. Out-of-town guests were Mr. and Mrs. Bill Slocum of Dallas, Mr. and Mrs. Edd Pollei of Bell Falls, Mr. and Mrs. Henry Tomasek and children of Ad Hall, Mrs. Tommie Ferguson of Rockdale, and Mrs. Annette Idus of Pasadena.

Parade To See Yuletide Kicked Off With Spirit

By Mrs. Barbara Smitherman "Heap on more wood! the wind is chill. But let it whistle as it will. We'll keep our Christmas merry still."

Sir Walter Scott Many people in many ways have kept Christmas merry. This year to really start our Yuletide season off with loads of spirit, the Trade Development Committee of the Chamber of Commerce is sponsoring a big Christmas Carnival parade. In fact, at this very minute, Santa Claus is preparing for his annual visit to Cameron. He will be here Monday, December 5, to ride in a big parade set for 2:30 p.m. There will be riding clubs, high school bands and floats and the latest designs and models in new automobiles and implements. N. L. Caperton, Chairman of the committee of the Chamber of Commerce stated that he wished to express his committee's thanks to the Jaycees who worked so hard to erect the new street decorations and says that as soon as the other decorations are cleaned and worked over, they, too, will be erected.

Organizations wishing to enter a float in the parade have until December 1st. Prizes for the first four places will be awarded and judges will award prizes on basis of overall beauty, 40 percent originality, 30 percent workmanship, 20 percent and theme 10 percent. Entries thus far for floats are: Girl Scout Troop No. 2, the First Baptist Church, Yoc High F.H.A., Cub Scout Pack No. 213, Branchville School, and the Brownie Scout Troop No. 1 will march in the parade carrying their banner. New car dealers and implement dealers to participate are: Green Motor Company, Michalka Motors, Schiller Motors, Graben Chevrolet Co., Hefley-Stedman Motor Co., Woodum Auto Sales, Mayfield Mercantile Company, Burkes-Howard Co., and Stedman Tractor Company.

We will also have with us the fine bands from Roseland High School and Thorndale High School and our own wonderful Voe High Band. The Cameron Saddle Club will also ride in the parade. Several invitations to riding clubs and central Texas bands have not been answered and we're hoping that we will have with us also, a few that we have not listed here.

Truly, there will be spirit and color everywhere shared lavishly with all our friends, neighbors and visitors in Cameron, next Monday. Christmas reminds us of "God rest ye, merry Gentlemen! Let nothing you dismay."

Deadline Passes To Convert G. I. Term Insurance Policies

Monday November 28, saw the deadline pass for GI insurance conversion.

The VA published a letter stating that veterans who wished to replace their expired term policies under the law had to file application, meet good health requirements and pay the required premium for their attained age in order to qualify for permanent type G.I. coverage.

Jaycees Offer \$50 Bond In Home Light-Decor Contest

First prize in a Jaycee sponsored residential Christmas Lighting and Home Decorating Contest this year will be a \$50 savings bond Jack Slaughter, president announced today.

Second prize is \$15 cash. Third prize \$10 cash and Two Honorable mentions at \$5 each.

The contest is being promoted to spread the spirit of Christmas by means of decoration with lights.

First place winner will be entered in a General Electric's Nationwide Christmas Lighting contest. Slaughter, in announcing the contest stated that "Our Community will receive a great many

Baptist Ladies Mission Prayers Around Clock

The Lottie Moon Christmas offering which supports Baptist foreign missions is the object of a south-wide week of prayer this week in Southern Baptist Churches.

The First Baptist WMU has a drawing of a clock drawn by Mrs. Earl Moseley on which ladies in the Women's Missionary Union have placed their names showing the twelve minutes each will spend in prayer for the missions throughout Friday, the World Day of Prayer. On Wednesday the WMU took charge of the evening prayer service at the church.

A local committee to censor objectionable newsstand literature is drawing up a set of standards to govern Corpus Christi newsstands.

A group on Midland Boy Scouts found human skeletal remains anthropologist say are about 2,000 years old. They were on a hike south of Crane.

Don Humble Sings "Smoke Gets In Your Eyes"—Henry Dreyer Sighs

Fires can be disastrous and even funny as in the instance at the home of Henry Dreyer's on "Execution Day" ... Wednesday when all the turkeys in the country lost their heads...and Henry Dreyer didn't exactly keep his (completely that is).

Another was on Route 2, Rogers recently, when the Elton Bennett home burned and the family lost everything it owned. The Herald will accept clothing for the family Mr. Bennett wears 14 shirt and a neighbor, Mrs. Lucille Seaton, will alter anything in the way of dresses from sizes 14 up for Mrs. Bennett.

The Chamber of Commerce issued a solicitation permit to the good neighbor, Mrs. Seaton, on the grounds that the family had not only lost everything but they also have a six months old baby. Baby clothes of all kinds will be accepted at the office of the Cameron Herald.

The landmark known as "Skeeziks" where for many a year the people of Cameron and vicinity have gotten their barbecue on the old Temple Highway was burned to the ground at 3 a.m. Friday morning. Origin of the fire was unknown.

A refrigerator caused an estimated damage of \$1,000 to a home at 1304-C North Travis. The home was owned by Lewis Unger. The occupants were out of town at the time of the fire. A passerby noted the smoke and turned in the alarm.

In the instance of Henry Dreyer's home. Three trucks and every volunteer fireman in town answered the call. The smoke-filled home had caused panic in the household and with many of their belongings on the sidewalks the family watched, with bated breath, the firemen, daredevils braved the smoke and searched for the source of the smoke. Fireman Don Humble, who could find a legal loophole for any client in a matter of minutes, with smoke filled eyes, had found his way into the bathroom of the home and had his hand on a smoking magazine which was on top of a heating stove when Buck Slavik stuck his head through a window from the back porch and discovered the cause of the fire. "The magazine is burning!" Slavik exclaimed and with that Fireman Humble and Slavik removed the cause of the fire and the hoses were rolled up and everyone went home while Henry Dreyer went to work moving back into his home. Mrs. Dreyer then remembered lighting the stove but hadn't recalled the book being on top.

To wait is to tempt fate, said Hilliard Thomas, in an aside, following the meeting. Before adjournment the chairman of the white section of the bi-racial commission, Thomas put his half of that body on record as applauding the thorough work of the school board in coming up with feasible and economical answers to the commissions request for good housing in the Frogtown area. The chairman of the colored section of the commission, Willie Anderson concurred in approving the work done by the board to date.

The school board will hold its next meeting on December 8 at which time further fiscal and building studies will be made and a program for going ahead with plans will be made at that time, said Dr. C. G. Swift, chairman of the board.

Superintendent W. T. Hanes is in Washington this week attending the Presidents School Studies Commission as the only professional school man from Central Texas. Therefore he was unable to attend Tuesday nights meeting of the school board and the Citizens' Commission.

E. A. Perrin Reports On Chest Campaign Thanking Workers

General Chairman of the Community Chest, E. A. Perrin, having finally completed tabulation of donors to the Chest makes the following report in a signed letter to the Herald.

To date the total collected is \$3,927.50, and the amount pledged but uncollected is \$361.50. There are a few out of town individuals from whom we expect to collect. We think the final total will be approximately \$4500. I personally wish to thank all of those who helped in this collection and special thanks goes to Mrs. Barbara Smitherman, Publicity Chairman and Treasurer, Mrs. Leland Green Sr., Chairman of the residential collections, Mrs. Ben Magness, Chairman of employee collection.

Photo by Dr. George Bowman CAMERON JAYCEES shines on the back of President Jack Slaughter as he and Secretary-Treasurer Richard Williams survey their work of installing Yule decorations at a Cameron downtown intersection. The spirit of Christmas will shine in the hearts of many who shop in Cameron as a result of this work. Also the Jaycees are sponsoring a Home Lighting and Decorating Contest in which First prize is a \$50 savings bond. Truly the Yuletide season will be much brighter in Cameron because of the tireless efforts of the Jaycees and the spirit of co-operation exhibited by the Chamber of Commerce and the City Dads.

TB Seals On Yule Package Fights Disease

The Milam County Tuberculosis Association urges you who have received your T.B. Christmas seals, to please return the enclosed envelope to the Association with your contribution as soon as possible.

It is very important that you answer your Christmas Seal letter right away, so that the Association can make a tabulation and report on the results of the drive.

This is the first time that Milam County has made an independent

Seal Drive, and they are hoping to be 100 percent.

Be sure to use your Christmas Seals on packages and Christmas cards this year to show everyone that you are helping in the fight against America's most infectious disease.

Mrs. George Rankin Gets Five Point Buck At Doss

A party of six shot up the woods around Doss, Texas in a deer hunt from Tuesday Nov. 15 through Sunday Nov. 20 and only Mrs. George Rankin got her buck. As she lay in wait the buck came up over a rise in front of her she reports and there at 75 to 100 yards she got the shot at a 5 point buck that made her famous, among the troupe which included she and her husband, Mr. and Mrs. Alton Bryant of Yarrington.

Mr. and Mrs. Fred Poed of Cameron.

Senator David has gone to California to pursue his dope probe.

A good dairy cow yields in her milk about 29 percent of the digestible nutrients in her feed. She uses about 47 percent of her feed for body maintenance and 24 percent in the work of converting food nutrients into milk.

10-20 Club Gets Its Goal; Quota In Sixth Year

The 10-20 deer hunters group, from this vicinity, formed six years ago, found the Llano country brimming over with deer and for the first time actually hit their mark of two bucks each.

On Wednesday the 16th the group embarked for their annual happy hunting grounds on the Click Ranch, 20 miles southeast of Llano and one week later came away with all the law allows in deer plus one turkey.

Felix Meisner was surprised to find that his seven pointers had not shed its spikes and thus sported a double pair of antlers.

Jerry Bartek got his week's work and fun over in short order when he lowered the boom on a four and eight point buck that fell not more than six feet apart.

Fred McLerran the reporter of the foray was the breakfast cook and oddly enough reports that not once did his group of furious hunters have any sour-tough biscuits. They even ate "store bought" sliced bacon probably drank drip coffee.

The group included Fred McLerran, a Temple contractor; Bill Kelhn, Meeks farmer; Felix Meisner, Ben Weiman and Paul Zucka all of Wilson, Frank Lemory, Jerry Bartek and Roy Lee Barton, all of Temple and Barton McLerran of Cameron.

Five Llano Deer Brought Home By Five Man Patry.

Deer hunters in Llano on November 17 were the following and each man got a "Buck" for his trouble and fun.

Frank Mikulec, Johnny Tlesek, Bill Tlesek, Ed Bavaver and Bill Frazer.

SOCIETY - CLUBS - PERSONALS

Hearne-Matthews Rites At First Christian Nov. 19

A Candellight, double ring ceremony at the First Christian Church in Cameron on Nov. 19 united Evelyn, Marie Hearne and Robert L. Matthews, Jr. Dr. C.H. Morris hearing the vows.

The altar held three seven branch candelabra containing white tapers and yellow mums a greenery. Yellow satin bows marked the pew s. Baskets of yellow mums and greenery flanked the altar.

Mrs. Francis Cox played the traditional wedding music while Mrs. W.G. Harsha sang "The Sweetest Story Ever Told" and Philip McCall sang "Because" and "The Lord's Prayer."

Wearing a ballerina length gown of white tulle over satin, the fitted basque of imported chantilly lace, embroidered with seed pearl and iridescent sequins formed a portrait neckline. The long sleeves self-covered buttons formed a row from neck to waistline in the back. The bride carried a white bible topped with a purple throated white orchid and cascading white pom mums and seed pearls. Her only jewelry was a gift of the groom.

A coronet headdress of lace was interspersed with sequins and seed pearls from which fell a finger tip length veil of French illusion. She was given in marriage by her brother-in-law, David D. Perkins.

Serving as Maid of Honor was Mrs. Gloria H. Perkins a sister

MR. and MRS. ROBERT L. MATTHEWS, JR.

of the bride. Mrs. Perkins wore a lavender capri ballerina length dress over taffeta, with square neckline, fitted waist and crushed capri. The back of the

pected white gold wedding band placed in front of a crescent bouquet of white pom mums. White poms cascade down the table to candelabras. Lime punch was served from a cut glass punch bowl.

A 4-tier cake decorated with yellow spun sugar roses topped in miniature bride and groom was served by Miss Shirley Wied of Burlington. Mrs. Evelyn Young of Cameron poured.

At the brides book was Lynn Lewis of Cameron. Others in the house party was Mrs. B.L. Arch, Mrs. Arthur Longmire, Mrs. E.O. Schiller Jr., Mrs. Calvin Markham and Mrs. W. G. Harsha.

The bride's mother wore dark lavender faille dress with a white pom mum corsage. Her accessories were black.

The groom's mother wore navy blue silk dress with navy blue hat.

The brides going away clothes was a charcoal pin stripe suit powder blue sequin hat and the orchid from her bridal corsage. Her accessories were black.

The couple spent a week honeymooning in Louisiana and Arkansas and are now at home at 506 West Main in Cameron.

Mrs. Matthews is a graduate of Yoe High School, of Durham's Business College and was employed at the State Land Office in Austin before her marriage. Mr. Matthews attended Buckholts H. School, was in U.S. Marines for 3 years and is now employed at the Industrial Generators at Rockdale.

Out of town guests were Mr. and Mrs. M.L. Hearne of Fort Worth, Mr. and Mrs. Chester Mallet of Fort Worth, Mrs. R.C. Perkins of Waco, Mr. and Mrs. Roy Holley, Mr. Jim Klien, Mr. Douglas McGee and Mr. and Mrs. Alfred Lykins all of Austin, Mr. and Mrs. Bill Prater of Rogers, Mr. and Mrs. Jim Matthews, Mrs. Lee Matthews and Mrs. Effie Smith all of Buckholts.

Cryer-Miller Rites Held In Eddy Texas At Home In Cameron

Miss Mildred Cryer, daughter of Mr. and Mrs. J.A. Cryer of Cameron became the bride of David Miller, son of Mr. and Mrs. R.A. Miller of Maysfield at the parsonage of the Baptist Church in Eddy on Nov. 22.

Miss Cryer was attired in a grey suit with pink and grey accessories.

The couple is at home in Cameron after a short wedding trip.

EVEN DISHWASHING CAN BE FUN especially when encouraged by members of the FHA Club as shown above. This picture, taken by Miss Barbara Coward, may not have made the best reproduction in the world but the dishwashing, in this instance, might not have been the best dishwashing in the world with such inexperienced "help" on the job. All of this took place at a "Class Family" party given when Misses Geraldine Davidson, Beatrice Dehart, Betty Jane Shuffield and Norma Ruth Bowley gave a party in the homemaking department on Nov. 16 as part of their second year experience in foods preparation.

FUTURE HOMEMAKERS OF AMERICA, of Yoe High School pictured above are reading left to right sitting: Jane Russell, Janice Bridges, Gloria Harber, Anita Trdy, Carol Matula, Ann Swift, Ruth Matyastik and Ann Graham and hidden behind Miss Graham is Frances Hubnik. Standing left to right: Rita Moraw, Wilma Baldrige, Laura Swift, Bernice Zarosky and Rita Reid. The picture was taken by Miss Barbara Coward.

Will C. Boekers Of Walker's Creek Hold Anniversary Party

In November 1927 Will C. Boeker took Mrs. Boecker to be his "lawfully wedded wife," and on Sunday November 20, the couple happily celebrated the event by killing a turkey and entertaining guests including: Mrs. Lidia Boeker, Mr. and Mrs. Hugo Miller and family of Burlington, Mr. and Mrs. Alvin Schiller and family of Clarkson, Mr. and Mrs. Ernest Heifinger of Marlin and Mr. and Mrs. Edwin Heinze and family of Waco.

Miss Joyce Warren, pictured above is Sweetheart of Yoe High Future Farmers for '55 - '56. She was elected at a meeting of the Ag students recently. Her competition was strong with such contenders as Shirley Warren, Peggy Burke and Patsy Anderle and Beverly Ann Doskocil.

Mrs. Lester Fisseler Gets MRS Diploma In Pre-Marital Shower

Mrs. Lester Fisseler and her mother, Mrs. James Woodum, 2005 N. 39-A St. in Waco were recent guests in the home of Otto Fisseler, Shiner, Texas.

The bride was honored with a miscellaneous shower at the Lutheran Hall. The 20 hostesses presented a wonderful program in which the former Miss Woodum received the diploma of MRS. Many lovely and useful gifts for the bride were displayed before the refreshments were served.

Approximately 70 guests were present.

The Woodum-Fisseler wedding was an event of November 25.

Franklin Stewart and Billy Joe Reynolds were at home in Cameron over the holidays from Texas Tech.

Local

Mr. and Mrs. Emil Voldan of Granger were recent guests in the homes of Mr. and Mrs. Fred Lazak and Mr. and Mrs. August Guzman. While here they shopped and transacted business.

Attending the funeral of Mr. Joe Petty were Mr. and Mrs. Emmett Rancy of Stamford, Mr.

and Mrs. Tommy Rancy of Pecos, Eugene Rancy of Houston, Mr. and Mrs. Earl N. Tate of Victoria and Mr. and Mrs. Louis Rinn of Rockdale. They were guest while here, in the home of Mr. and Mrs. H.N. Tate, 500 W. Sixth Street.

Miss Nelda Bruce Parker is spending several days with her grandparents, Mr. and Mrs. David Sherman in Austin.

Dr. and Mrs. J.R. Parker and daughter Nelda Bruce visited with her parents, Mr. and Mrs. David Sherman in Austin Thursday, Nov. 24.

Norbert Mikulec was a Thanksgiving dinner guest in the home of Mr. and Mrs. B.M. McCord Thursday.

Pythian Annual Roll Call Hears Home Children

By James E. "Bo" Patterson
A soloist, a quartet and two youthful speakers all children of Mr. and Mrs. Hugo Horstmann of Weatherford, performed before

a full house of Pythians, ladies and guests Monday night. The only dry eye in the house after the "Sermons in song and in rhetoric" was found to belong to a man with a glass eye. The children told of their second mother and dad, the Horstmanns, at the KP supported Weatherford home and told of their collective will to live up to the faith of their benefactors.

One of the factual speakers told of the 200 head of registered swine now at the home and of the dairy heard of 70 now milked by the youngsters. More than 70 gallons of milk is shipped daily and the boys and girls have all the milk they want to drink. Pythian A. J. Smith introduced the program and the Superintendent of the Home Hugo Horstmann, formerly of Cameron, who in turn proceeded with most informal program possible and one with which he was entirely unfamiliar because he presented the youngsters from notes written by his wife Lina who could not be with the group.

Horstmann said "If you knew these kiddos like my wife and I know them there would never in the world be any misunderstandings and problems he noted as he lambasted an article written for public consumption by Pearl Buck in which the writer has seen fit to attack everything for which he and the Knights Of Pythias stand. "An investment in a child is the greatest investment that can be made" the speaker said. We—Mr. and Mrs. Hugo Horstmann—would be at home with the president of one of the largest universities in the south and with the general at one of Americas army bases. We would be at home, he said, in many another establishment, bank and business house in this country because those leaders in those businesses and military establishments would be our boys—from your Weatherford home. The only thing missing in the entire proceeding was the answer "Present" by many of the Pythians, three of whom were "answered for" by their widows.

Southern Pacific Lines
Retires Mgr. J. J. Moore

R. deWaal, assistant general manager of the Southern Pacific Lines in Texas and Louisiana since March 1, 1954, has been appointed general manager, B.S. Sines, executive vice president announced today.

Mr. deWaal succeeds J. J. Moore who has retired after 50 years of railroad service, of which 46 years were with Southern Pacific.

Southern Pacific also announced the appointment of G.W. Kelly to succeed deWaal as assistant general manager, and of D.R. Kirk as superintendent of Houston terminals. Kelly has been superintendent of terminals here since 1950. Kirk returned to Houston from San Antonio as assistant superintendent last August 1.

Mr. deWaal, a native of San Antonio, started his rail career as a fireman for SP there in 1912, and held positions of traveling engineer and general road foreman prior to his appointment to assistant superintendent at Victoria in 1940. He served as assistant superintendent and later as superintendent at Ennis prior to his transfer to San Antonio as superintendent of San Antonio division.

Kelly is best known for his work in determining the improvements necessary to modernize S.P.'s freight yard at Houston. Prior to start of construction of the rail-switching yard here he and other SP officers made an extensive survey of modern railroad yards throughout the United States that led to the development of plans for the Houston installation. Since October, 1953, he has had an active part in construction of the new facilities and in supervising the

progressive steps of change over from the old to new operations.

Calvin Spilman Is Given Tea Towels At Rosson Brunch

Honoree at a brunch Friday morning Nov. 25, was Miss Shirley Horstmann, bride-elect of Calvin Spilman, at the home of Miss Susan Rosson, 416 W. 2nd. Street. Hostesses for the occasion were Mrs. R.B. McDonald of New Braunfels and Miss Susan Rosson.

As guests arrived each presented the honoree with a favorite recipe. These were collected and placed in a file for future use. Dichtwells, personally marked by the guests were added to the collection.

Yellow mums and yellow roses emphasizing the bride's chosen colors were used in the dining room where refreshments were served. Mrs. O. B. Horstmann mother of the betrothed, presided at the coffee service while Mrs. McDonald served kolaches and other dainties.

Mrs. Mike Coleman of Gallup, New Mexico assisted Miss Rosson in further Hospitality of the morning.

Guests included members of the wedding party and the house party.

Buckholts Hope Lutheran Scene Of Jungmann-Hause Nuptials

The Hope Lutheran church of Buckholts was the scene of the wedding Sunday Nov. 20 of Miss Gloria Ann Jungmann and Bentley L. Hause.

The bride is the daughter of Mr. and Mrs. Arnold H. Jungmann of Buckholts. Parents of the groom are Mr. and Mrs. Eugene Hause of Cameron.

Altar decoration was an arrangement of bronze and gold mums flanked by a candelabra holding bronzed cathedral tapers flanked with gold and bronze mums and matching streamers. Polished palms formed the background for floral decorations and the ceremony read by Rev. John A. Piech, pastor.

Mrs. John A. Streipe, organist played nuptial music and accompanied Miss Shirley Horstmann who sang "Whither Thou Goest," "Because" and "The Lord's Prayer."

Given in marriage by her father the bride wore a designer's gown of Italian lace combined with nylon. The sweetheart neckline was embellished with rhinestones and pearls and the sleeves were long and tapered at the wrist. Her matching train had a magnificent full sweep. The crown encrusted with pearls featured the fingertip length veil which matched her wedding gown, and she carried a prayer book with a cascade bouquet of baby pom poms centered with a yellow throated purple orchid. The groom's gift, a single strand of pearls was her only ornament.

For tradition she wore her mother's wedding band for something old, her prayer book was blue, and she carried a white handkerchief borrowed from her bridesmaid.

Mrs. Fred Hortung, sister of

the bride was maid of honor. Her bridesmaid was Miss Frances Wiese. They were attired in waltz length dresses of crystalet in shades of copper and gold, designed with molded torso bodices and low necklines, featuring band of crystal pleating at the hipline. They carried bouquets of bronze baby mums with matching streamers.

David Hause was his brother's best man and Wayne Fischer was groomsman. Fredwill Horning and Julius Albonetti served as ushers and lighted altar candles.

The brides mother was dressed in navy with white accessories. The mother of the groom chose an aqua crepe dress with white accessories. They both wore yellow pom pom corsages.

Following the ceremony a reception was held in the educational building. The bride's table was covered with a linen cut-work cloth over bronze held repeated altar floral decorations and lighted bronze candles. The tiered wedding cake was decorated with a floral spray confection, topped with white wedding bells.

Mrs. Norris Rogers poured punch from the crystal service and Mrs. Julius Albonetti served cake. Others assisting in the house party were Mrs. Albert Willie of Houston, Marjorie Glaser of Taylor, La Nelle Rogers of Cameron, Edna Streipe of Priddy, Mrs. Robert Jungmann, Mrs. Arnold Glaser and Martha Jean Hanke of Buckholts.

Serving at the register, was Miss Evelyn Glaser who registered more than 200 guests. A special guest was Mrs. Emma Glaser great-grand mother of the bride.

Out of town relatives and friends attended from Houston, Galveston, Ft. Worth, Bryan, Taylor, Priddy, Temple, Moody, Rockdale and Cameron.

For travel the bride wore a light blue wool suit with matching hat and gloves and other accessories in black. She wore a corsage of the orchids from her bridal bouquet.

Mrs. Hause is a graduate of

Yoe high school in Cameron and attended business school at Austin. She is presently employed at Citizen's National bank in Cameron. Mr. Hause also attended Cameron high school, and while serving with the US Army was stationed in Korea during his tour of duty. The couple will make their home in Cameron where he will commute to Alcoa near Rockdale where he is employed.

LITTLE RIVER PHILOSOPHER REALLY TAKES TO NEW IDEA FOR SOLVING COMPLICATED FARM PRICE PROBLEM

Editor's note: The Little River Philosopher on his Johnson grass farm on Little River has run across the latest idea for solving the farm problem, his letter this Dear editor:

While I don't like for the politicians to get hold of this, I was just thinking one night this week week reveals...

as I was reading about the latest idea to solve the farm problem, personally I've had a farm problem out here long before anybody ever thought up a farm solution and I expect to have one after all the ideas to solve my problem have been thought up, but I was interested in this latest idea, the same as I am in all the old ones.

According to it, the trouble with the present price support program the surplus it claims is produced mainly by the big farmers, the operators with many thousands of acres who produce on a factory type, assembly-line method.

Therefore, this newest idea thought up by a man in New York would start out with high price supports for the farmer who produces just a small amount, with the supports gradually falling off as a man's production went higher. This, the New Yorker said would take care of the family-size farmer and give a little help to the biggest farmer, but not much since he doesn't need much.

Yours faithfully,
J. A.

Mrs. John Lanicek was a guest for 2 weeks recently in the home of her daughter and son-in-law Mr. and Mrs. Edwin Reynolds of Cameron.

Well, I don't know about this, I've seen some mighty big farmers who were mighty thoroughly little farmers who had money in the bank and a grin on their face, but on the whole it might work and I'd be willing at any rate to give it a trial, but I think the idea needs reviving a little.

If you're going to pay a man on the basis of the less he produces the more he makes, you'll run into all sorts of complications.

What they need is a system of calculating the amount of effort it takes to get started to work and to stay with it. You take some people, it's just harder for them to work than others. On the other hand, there are some people who just ain't happy unless they're working from daylight to dark.

Therefore what we need, if they're going to think about paying a man a higher rate of pay for a smaller amount of production, is a system that takes into consideration how much to see the rate of pay based on. You have no idea how much money I could make under that system.

Easy Coins A Quick Profit

Hear about Easy Roberts last Friday? I helped him count his money—both before and after—so believe me, the story's true.

Easy was on the way to the bank to deposit his "cookie jar" savings—exactly \$24.95 in nickels, dimes and quarters. He had them in a paper bag and as we crossed Main Street the bottom fell out.

Money went flying. Passers-by pitched in to help recover the coins. Later on when Easy counted up, he had \$25.05. The "search party" had turned up all of

Easy's money plus ten cents someone else had lost!

From where I sit, I wouldn't want to try this "Easy" way to make money. Usually, it takes time for a bank roll to grow... just as it takes time for a friendship to grow. But by respecting a neighbor's rights—including his right to drink coffee, tea, beer or buttermilk, whichever and whenever he chooses—it's wonderful the solid friendship you can build. You can "bank" on that.

SP's new gravity switching yard at Houston sounds like science fiction. On this mammoth maze of tracks, freight shipments routed through Houston to and from the Southwest and West, are handled with speed and uncanny accuracy. The wizard hands of electricity, radar and electronics do a giant's share of the work, putting together freight trains day and night, under any conditions of visibility.

Men are important in the act, too, but the system of automatic control—called automation—is the astonishing thing. It is part of the drama of modern railroading—of the progressive ways and means sought by Southern Pacific to bring the Southwest and West finer freight and passenger train service.

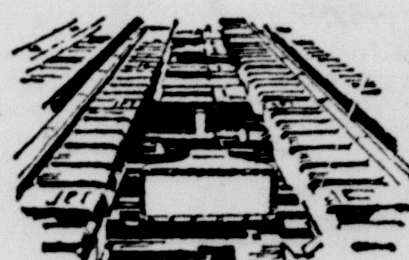

The picture below show you how radar and an electronic brain team up to improve this vital yard operation.

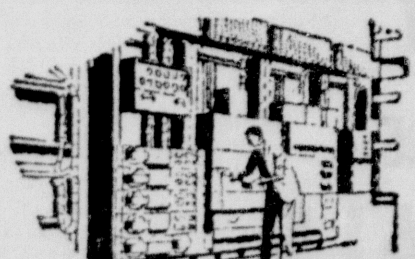

1 Cars from incoming freight trains are uncoupled and nudged one at a time over the crest of a small artificial hill, called the "hump."

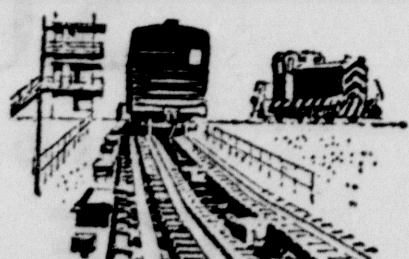

2 Towerman "orders" each car to its scheduled track position in yard through an automatic switching system, which times and sets switches ahead of car.

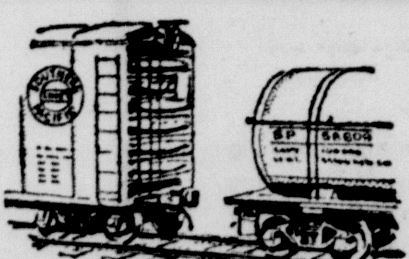

3 Starting its roll downhill, the car is clocked for speed by radar and is automatically weighed. Speeds vary, depending on loads and other factors.

4 An electronic computer instantly notes the car's weight, speed, rollability, distance to roll, and other factors including even wind resistance, then, like a mechanical brain, gives the all-important answer to...

5 ...the "retarder," or electric brake, set in the track, which exerts necessary pressure to release the car at precisely the right speed...

6 ...so that it will roll to its near or remote destination in the switching yard and there couple smoothly and safely into a newly formed train.

Federal Law Compels Men To Register When 18

A total of 5,863 Texans registered at local draft boards in October. Federal law requires men to register on their 18th birthday, or within five days thereafter, Lt. Col. Morris S. Schwartz, state Selective Service director, pointed out.

Under present regulations and policies, no one is drafted under age 21 in Texas except delinquents. But the law obligates males to register at 18.

Since the present draft law was enacted in 1948, all males born since August 30, 1922, have been and are now required to register,

except those not yet 18. A man who fails to register, upon prosecution and conviction, is subject to fine up to \$10,000, or five years imprisonment, or both.

WAC Offers Yule Leave To Enlistees

Word has been received from the Department of the Army that

young women applying for enlistment in the Women's Army Corps during December will be granted holiday leave with pay in order that they may spend Christmas with their families.

Young women enlisting or re-enlisting during the period 15-31 December may be granted a maximum of fifteen day-authorized leave with pay. Such leave will

extend only to January 3, 1956.

Young women who are between the ages of 18 and 34, single, high school graduates, and highly qualified mentally and physically, of good moral character are eligible to apply for the Women's Army Corps today and take advantage of the holiday leave.

FILM TREAT AWAITS FARM FAMILIES AT JOHN DEERE PROGRAM

Program Includes Full-Length Feature

A treat of six all-color films awaits farmers and their families, who are to be guests of the Cameron Implement Company at their John Deere Program to be held Monday, December 5.

The film far which is to be shown at the Simon-George Hall at 7:00 p.m. will be headed by a full length feature titled "Tim's Choice". According to Mr. Michalka, "Tim's Choice" is a happy type of movie built around the three youngsters of a typical rural family. How the delightful young trio, all of 4-H age, vie with one another for activity honors and the sometimes anxious, sometimes comical situations they find themselves in provides a story that is a pleasant combination of humor and sentiment.

All leading players have been seen frequently in motion pictures and on television and carry off their respective roles superbly.

Additional Films to Be Shown

The Gordon family, a Deere-created clan that has grown to seem as real as it is actually fictional, appear in the picture "A Lease on the Future." This time, the story is built around an immigrant refugee's new start in his

newly adopted country. Tom Gordon's exasperating antics have their usual satisfying ending and will keep him a favorite of audiences everywhere.

A series of films which has proved extremely popular for the last half dozen years, "Oddities in Farming," is continued again this year with unusual sequences taken in the wild rice harvest, the rhubarb winter harvest and mushroom farming — all important, but little known, agricultural pursuits.

What's New for 1956

The audiences will also see the line-up of the latest in modern farm machinery when they view the film "What's New for 1956." They will see the new John Deere "80" Diesel Tractor, the new John Deere hay conditioner, the new anhydrous ammonia applicator, the new rotary chopper and many more machines that promise lower operating and maintenance cost and increased leisure time for today's farmer.

Free to Farmers

In announcing the program Mr. Michalka emphasized that the showing will be free to all farmers, their families and friends.

Many Centex Farmers Get Social Security Tax Forms

Many hundred farm operators in Central Texas have already indicated they expect to pay one or more hired hands at least \$100 in cash wages during 1955. James B. Marley, Austin district manager of the Social Security Administration, announced today.

Employer identification number for these farmers have been assigned, and they have been put on the mailing list of the Director of Internal Revenue to receive social security tax return forms

for their employees, about January 1. This means that the farm employer, who has such employees will complete the tax return form, showing the name, the social security number, and the wages paid each employee who was paid \$100 or more in cash during 1955. Along with this information, he will forward his check or money order for 4 percent that he has previously withheld from his employees and the 2 percent that he contributes himself. Coverage for farm workers is

based on annual earnings, Marley continued. It is necessary for the farm operator to keep a record of each employee he expects to pay cash wages of \$100 or more. The farm operator should keep a record of the name, the social security number, and the payments to the employee of cash wages for agricultural work.

It was suggested that any farm operator who has not already done so should contact the Director of Internal Revenue, Austin, or his local social security office in order to be sure of getting needed information if he has hired hands to whom he expects to pay \$100 or more in cash wages during 1955.

Social Security Man Here December 6

The regular visit of the social security representative to Cameron, Texas, will be Tuesday, December 6, 1955. You are invited to contact this representative at the Department of Public Welfare at 1:00 P.M.

Plentiful Foods List Appeals In Supply And Price

Housewives should find the December plentiful foods list to their liking both from the standpoint of supplies and price. Holiday meals promise to be cheaper this season than in several years, judging from the list the U. S. Department of Agriculture has declared plentiful.

Topping the list is a great combination... sweet potatoes and pork. Supplies of both are heavy and prices favor consumers. Despite the fact that this is win-

ter season, more fruits are available now than in several months. These include grapes, winter pears, cranberries and grapefruit. Also more dates are showing up at local markets than is usual at this season. Pinto beans and Irish potatoes are also on the December list.

Turkeys, broilers and fryers, beef and canned tuna are almost as plentiful as pork in this area. Other foods rating a spot on the USDA's list include dairy products, lard, vegetable fats and oils.

On Farm Clinic At Gelner Farm Dec. 7 At 1:30

An on-farm demonstration-meeting will be held on Wednesday, December 7 at 1:30 PM at the John L. Gelner farm located 7 miles S.W. of Cameron and 3 miles South of Highway 190 between Cameron and Buckholts Texas.

The meeting will be in the form of a Clinic to explain how the Soil Conservation Plan, the Soil and Water Loan and the payments which may be earned through the ACP program all fit together to get a soil and water conservation job done on the farm.

We believe you will receive valuable information at this meeting and you are invited and urged to come and participate in the Clinic.

If the poultry flock is to be comfortable during the winter months their housing must be properly ventilated. Panels made of a glass substitute are recommended as covers for all outer wall openings in the poultry house. Hinge them so they can be opened on warm days and adjusted for proper cold weather ventilation.

A Marion county farmer used cottonseed meal to fertilize his crop of ribbon cane. He used \$35 worth of meal to the acre and is getting an estimated 500 gallons of ribbon cane syrup from each of his three acres.

Notice to Long Distance Telephone Users

The following changes in the charges for long distance calls within the State of Texas will be made effective December 27, 1955:

Rates for night and Sunday calls between points more than 82 miles apart will be increased 5¢ in some cases, 10¢ in other cases.

Rates for person-to-person calls between points less than 23 miles apart will be increased 5¢.

Eighty per cent of the long distance calls in Texas are not affected by this rate adjustment. There will be no changes in any of the day station-to-station rates. Likewise, there will be no changes in the night and Sunday station rates on calls under 83 miles. There will be no changes on day person-to-person rates on calls over 22 miles.

More detailed information may be obtained at any company business office.
